Proceedings of the Madras Government, Revenue Department, 18th November 1861.

No. 175. Read the following Proceedings of the Board of Revenue, dated 1st November 1861, No. 6,008 :—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Tinnevelly, 8th October 1861, No. 440.

SIR,

With reference to the Board's Proceedings under date the 12th August last, No. 4,376, requesting me to report on paragraphs 8 and 9 of the Proceedings of Government dated the 6th idem, regarding the amount of allowance actually disbursed since 1852 to the first widow, and to the son, respectively, of the late Zamíndár of Chokumputty, and the amount to be now allowed to the latter, I have the honor to report in reply to paragraph 8, that from the accounts it appears that after the death of the second widow, her full allowance of Rupees 31-10-8 was disbursed to the above two surviving heirs, each of whom continued to draw Rupees 47-8 as supposed by Government. In reply to paragraph 9, I beg to observe, that as the village of Kulayaneri has been restored with the Estate of Chokumputty to the present Zamíndár, I am of opinion that the son of the first widow, now deceased, should be allowed no more than the amount originally allotted to his mother, namely, Rupees 23-12 in addition to his own share of Rupees 47-8.

1. Ordered to be submitted to Government, with reference to their Proceedings, dated 6th August 1861, No. 1,571, Revenue Department.

2. The Board do not concur in opinion with the Collector that the last surviving member of the family of the deposed Poligar should suffer for the neglect of the Government Officers, and recommend that the whole amount of Rupees 95, granted in 1826 for the maintenance of the family, be continued to the last survivor. There is no affinity and there is long standing enmity between the families of the present Zamíndár and of the deposed Poligar, and the latter are not likely to benefit directly or indirectly from the restoration of the Zamíndári to the family which lost it by falling into arrears.
