PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India (Revenue), to His Excellency the Right Honorable the Governor in Council, Fort Saint George, dated India Office, London, 8th October 1861, No. 62:—

SIR,

1. I have considered in Council the letter from your Excellency in Council numbered 82 and dated the 13th June last, transmitting the report of the Board of Revenue on the Local funds of the Districts of your Presidency.

2. In reply I have to express my concurrence with your Proceedings as reported in your Order of the 30th April 1861, No. 974, and especially with your instructions to the local authorities, considering the pressing requirements for roads and other local improvements, to make the outlay from these funds keep pace more nearly with the receipts than has hitherto been done.

3. These reports are annually transmitted to you by the Board of Revenue, in compliance with your instructions of April 11, 1856; but as they will be always found upon your Proceedings, it seems to me unnecessary that they should be separately forwarded to me, except when they may record facts of special interest, or circumstances on which you may require instructions from Her Majesty's Government.

ORDER THEREON, 19th November 1861, No. 2,183.
