Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Darmavaram, 5th October 1861, No. 218.

SIR,

1. The Civil Auditor having returned unaudited the travelling allowance bill of the 1st Dresser attached to the Sub-Collector of this District, on the ground of the same not having been included in the Budget Estimate, I have the honor to request that the Board will be so good as to obtain the sanction of Government, for payment of the allowance of the above description.

2. I beg to add that the Zillah Surgeon has communicated to this office a copy of a Circular letter, No. 1,236, dated 24th July 1861, from the Principal Inspector General at Fort Saint George, to the address of the Deputy Inspector General of Hospitals Presidency Division, requesting him to arrange, in communication with the various Collectors, for the payment of those Civil Medical charges by advances, which have been omitted in the Budget Estimate, and a reference upon this having been made to the Accountant General, that officer has stated, that payment of the description alluded to has not been generally ordered by Government to be disbursed in anticipation of the sanction of the Government of India, and suggested that a reference be made to Government on the subject.

Ordered to be submitted to Government with the Board's recommendation that the Accountant General be instructed to authorize the payment of the travelling allowance of the 1st Dresser in advance. The Board presume that the necessary provision for the charge has been made in the Budget of the Principal Inspector General of the Medical Department.
