To A. C. R. M. Donnell Esq^r
Off^y Collector
Trichinopoly

Sir,

I have the honor to acknowledge the receipt of your letter of 28th ultimo, informing me of your being precluded from forwarding my application for two months privilege leave to be granted to me in conformity with my letter of 5th ultimo and beg to state in reply that the urgent business of private nature on which I want to proceed to Madras is such that it requires my immediate presence there. Should I be permitted this moment. But all for that, I, in obedience to your instruction conveyed to me by your letter of the above dated came down here with a view of completing all the cases at once connected with the public works Departments, without causing the current works of my office fall in arrear and have spoken with Lieut^{nt} Palmer District Engineer about the affairs, and have been informed that very few cases only are ready for my disposal at present as for the other cases I could say / As

as Mr. Palmer thinks / that it
would take up some time or a
month to get them prepared for
forwarding to me -

While being so I
further beg of you to recommend that
I may be granted leave of absence
for a period of Six Weeks at least
Should you find any inconvenience
on my taking leave of two months
agreeably to my former letter - and
I shall be very happy to settle all
the claims of outstanding balances
immediately after my return from
Madras -

I beg to forward for the consideration of the Board of Revenue an application from Deputy Collector Sundaram Pillai for six weeks leave of absence under Section 5th of the Enacted Absence Rules.

The Board will observe that Sundaram Pillai originally applied for two months leave which application I declined forwarding as this officer has been recently specially appointed to assist the Engineer's Department in recovering the outstanding balances of money advanced to Contractors for Public Works.

Sundaram Pillai represents that the necessity for this leave is urgent, I have therefore
