No. 225. Read the following Proceedings of the Board of Revenue, dated 5th November 1861, No. 6,053:—

Read the following letter from G. S. FORBES, Esq., Collector of Ganjam, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Chetterpúr, 18th October 1861, No. 284.

SIR,

1. I have the honor to request that the Board will be pleased to accord their sanction for advancing Rupees 300 to the Salt manufacturers of the newly opened Kotar of Munsurcottah for the current Fasli, to be recovered during the time of the distribution of their hire.

2. The advance of Rupees 500, which was made in last Fasli, was fully recovered.

3. The present advance is necessary in reference to the destitute condition of the manufacturers, who have only received 7 Rupees a garce for the Salt made in this year. I have recommended* that this rate should be increased to nine, which will make an additional 737¼ Rupees payable to them on the 365½ garce manufactured, and, in the event of its being sanctioned by the Board, Tacavy will not be in future required.

* 28th August 1861, No. 239.

4. The sales have been very brisk, and Rupees 18,435 collected up to the close of last month, and from the vicinity of the new pans to Berhampore, which is 7 miles distant over a good road, the sale at this place has been a great convenience to the neighbourhood. It is scarcely credible at how comparatively small a distance from the pans the price of salt is enhanced by retail sellers to double and treble the cost price.

5. The necessary inference is, that instead of concentrating places of manufacture, it is to the interest of the people to spread them over as great a space as is possible, the depôt system not being favored by the Government.

——

1. Ordered to be submitted for the sanction of Government.

2. The Collector's recommendation for an increased rate of Kudiváram was submitted to Government with Board's Proceedings, dated 9th October 1861, No. 5,487.

(A true Copy and Extract.)

No. 226. ORDER THEREON, 21st November 1861, No. 2,200.

1. Sanction is granted for the proposed advance of Rupees (300) three hundred.

2. The increased rate of Kudiváram recently recommended by the Collector, viz., Rupees 9 per garce, was sanctioned in the Order of 4th instant, No. 2,110.
