No. 277. Read the following letter from G. N. TAYLOR, Esq., Inám Commissioner, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Vellore, 11th November 1861, No. 60:—

SIR,

1. The simultaneous operations of the Inám Commission in several Districts, including the Ceded Districts and Kurnool, which contain a large proportion of the Ináms of the Presidency, has thrown so much work on the Central Office, that I find it absolutely necessary to strengthen the Establishment in order to keep pace with the increased requirements. I have, therefore, the honor to solicit the sanction of Government for making the additions noted in the margin; the cost of which is met by the reduction of one of the 3rd Class Deputy Collectors and his Establishment, included in the original list as sanctioned by the Government of India, but now no longer required.

2. The present proposition thus involves no addition to the sanctioned cost of the Commission, and is simply a modification of its distribution called for by the progress of its operations. I may observe that the effect of this addition to the strength of the Establishment will be to bring as nearly as possible to one another, the date of the close of the Deputy Collector's operations and that of the actual winding up of the details in the Central Office, which, without such additional agency, might be very considerably prolonged.

3. At this moment the Inám Settlement of the Ceded Districts and Kurnool being nearly brought to a close, the preparation and transmission of the Vernacular Registers are delayed for want of sufficient Gumáshtas; and without such Registers to guide them, the Collectors cannot proceed with the collection of the quit-rent fixed by this Department. The necessity for the additional Establishment being thus pressing, I solicit the early sanction of Government to the present proposition.

No. 278. ORDER THEREON, 27th November 1861, No. 2,227.

The additional Establishment required by the Inám Commissioner at a cost of Rupees (520) five hundred and twenty is sanctioned; it will be paid from the sum allowed in the Budget for the Commission. This alteration in the Commissioner's Establishment will be included in the Quarterly Statement sent to the Government of India.

(Signed) J. D. SIM,
Secretary to Government.

3 At this moment the Jráms settlement of the Ceded Districts and Kurnool being nearly brought to a close, the preparation and transmission of the Vernacular Registers are delayed for want of sufficient Qumáshtahs; and without such Registers to guide them, the Collectors Cannot proceed with the collection of the Quit rent fixed by this Department. The necessity for the additional Establishment being thus pressing, I solicit the early sanction of Government to the present proposition &c.
