Proceedings of the Madras Government, Revenue Department, 10th December 1861.

No. 93. Read the following Proceedings of the Board of Revenue, dated 27th September 1861, No. 5,216:—

Read the following letter from J. I. MINCHIN, Esq., Acting Collector of Kurnool, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated 11th September 1861, No. 106.

SIR,

1. I have the honor to forward the Estimate of the Demand, expected Receipts and Disbursements on account of the duty on Arts, &c., for the first three quarters of the current official year, as requested in your Circular No. 4,714 of the 31st ultimo.

2. I take this opportunity of again bringing to notice, that as there are no Village Curnums to the town of Kurnool, it will be necessary to appoint a Gumáshta to perform the duties connected with this tax within the town, to be remunerated by a per centage on the collections, not exceeding 3 per cent. under Section 9 of the Act, for which I beg that the authorization of Government may be obtained.

3. I have estimated the pay of this officer at Rupees 10 monthly for seven months, to the close of April, but his exact receipts on a per centage cannot be shown at present.

Ordered to be submitted to Government with the Board's recommendation that under the circumstances stated by the Acting Collector, authority be granted for the retention of 3 per cent. on the collections of the duty on Arts, &c., in the town of Kurnool, to form a fund for the remuneration of the special officers to be employed in the collection of the tax, and in keeping the accounts connected with it, and to be distributed by the Collector in such manner as he may find necessary, reporting his proceedings for the confirmation of the Board.
