Proceedings of the Madras Government, Revenue Department, 11th December 1861.

No. 101. Read the following papers:—

Proceedings of the Board of Revenue, dated 8th August 1861, No. 4,281.

Read Proceedings of the Madras Government, dated 20th July 1861, No. 1,446, Revenue Department.

(In Cons. 22nd July 1861, No. 4,549.)

1. Resolved that the above Proceedings be communicated to the Collector of Bellary for information.

2. The Board observe that the sum of Rupees 197 entered by the Collector as the balance of the sanctioned amount for Sádirwárid is not correct. The original sanction for this item was Rupees 770.* Out of this the Collector expended up to November 1860 Rupees 207, and set aside Rupees 58½ for expenditure in December, and Rupees 250 for binding the field registers, thus effecting a saving of Rupees 254½ out of that item. It is from that saving as well as from that effected in the sanctioned amount for Establishment (which amounted altogether to Rupees 1,280-13-0) that the Board recommended in their Proceedings of 25th February 1861, the entertainment of a temporary Establishment at a cost of Rupees 1,262-8-0 for the completion and examination of the registers, and this amount was sanctioned in the Order of Government, dated 21st March 1861.

* Vide Statement enclosed in the letter from the Collector of Bellary, dated 5th January 1861.

3. The saving in Sádirwárid which was thus appropriated for the Establishment cannot now again be included in the former item, and the correct sum available for Sádirwárid would, therefore, appear to be Rupees 242½ which will accordingly be entered in the Supplemental Budget of Bellary for 1861-62, when received in the Board's office for examination.
