From W. M. Cadell Esq.
Collector of Tanjore.

To W. Middleton Esq.
Secretary to the Board of Revenue
Fort St. George.

Sir,

1:5347

With reference to the Proceedings of the Board of Revenue dated the 16th November last, submitting to Government my application for permission to retain the Establishment of Deputy Collector Ramalingar until the special work entrusted to him shall have been completed; I have the honor now to state that the Government having since declared that the regulated allowance provided for in the Circular Board of Revenue 15th December 1858, that the regulated allowance provided for in the Pay Code for the payment of Pensioners and Family Certificate holders, is likewise available in the case of Civil Officers placed in charge of such payments, the extra hands which I am thus enabled to employ will admit of my dispensing with the Deputy Collector's Establishment already applied for, and that sanction for the latter is therefore not necessary.

The great addition to the work of the Office by the transfer to this Department of the Military Pensioners at all the four stations of this District numbering upwards of 1400 persons without any increase to the strength of the Establishment rendered it impracticable to carry on the special work of Ramalingar without extra assistance, but the provision now made for separate servants for

for the Pension Department will pro tanto relieve
the regular Establishment at his disposal as Treas-
-ury Deputy and thus enable him to dispense
with the assistance lately applied for.
