Proceedings of the Madras Government, Revenue Department, 19th December 1861.

No. 164. Read the following letter from J. FRASER, Esq., Collector of South Canara, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 4th December 1861 :—

SIR,

1. With reference to the enclosed copy of Proceedings of the Board of Revenue, No. 6,022 (of 4th November 1861), I have the honor to request that you will refer for the consideration of Government the question whether, in my case, the revised rules regarding fixed tentage may be allowed to have retrospective effect.

2. I had a personal conference with the Members of the Board a few days ago, and was informed that they had no objection to my referring the question direct, though they themselves considered that Government might object to giving retrospective effect to a rule involving the outlay of money. They admitted that my case and that on which the recent revision of the tentage rules was based were precisely similar; and I would respectfully urge that mine is a very recent instance, and that at the time I protested against what was then a doubtful, and is now admitted to be an erroneous construction of these rules.

No. 165. ORDER THEREON, 19th December 1861, No. 2,326.

The Government cannot comply with this request.

Deputy Secretary to Government.
