PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India (Revenue), to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 9th November 1861, No. 76:—

Sir,

1. The letter from your Excellency in Council No. 55, dated the 11th of April last, has been under my consideration in Council.

2. I quite concur in the view which your Excellency in Council has taken of the inexpediency of applying to the Legislative Council for an Act to remedy the present demoralized condition of the domestic servants at Ootacamund, of which the inhabitants complain. I trust that with the aid of the New Police a strict and yet judicious enforcement of the present laws, which appear hitherto to have been very inefficiently administered and the simpler remedies suggested by your Government in your Order of the 7th of December 1860, will be found sufficient to counteract the evils complained of in course of time.

Order thereon, 24th December 1861, No. 2,356.

Ordered to be communicated to the Board of Revenue, and to the Judicial Department, with reference to the Proceedings of Government in this Department, dated 7th December 1860, No. 2,329.
