Proceedings of the Madras Government, Revenue Department, 24th December 1861.

No. 264. Read the following letter from G. N. TAYLOR, Esq., Inám Commissioner, to J. D. SIM, Esq., Secretary to Government, dated Vellore, 10th December 1861, No. 70:—

SIR,

1. In consequence of the difficulty of obtaining good Vernacular Accountants possessed of a knowledge of English also which is necessary to fit them for the special work of this Office, I find it desirable to make a slight alteration in the additional Vernacular Establishment sanctioned in the Government Order of the 27th ultimo, No. 2,227. Few Candidates having come forward whose qualifications are worth a monthly salary of Rupees 20, I purpose instead of four Gumáshtas at Rupees 20 to entertain one at 20 and four at 15 Rupees, the greater number being calculated to make up for deficient ability; the total cost already sanctioned remaining undisturbed. I have the honor to solicit the permission of Government to make this alteration, which, without special sanction may be objected to by the Civil Auditor.

2. I take this opportunity of requesting that the words "per mensem" which were inadvertently omitted in the original application, may be inserted in the Order of Government already quoted.

No. 265. ORDER THEREON, 24th December 1861, No. 2,373.

Ordered accordingly. The alteration now sanctioned will not affect the total charge authorized in the Order of Government, dated 27th November 1861, No. 2,227, viz., Rupees (520) five hundred and twenty per mensem.

(Signed) J. D. SIM,
Secretary to Government.
