now employed under
the

the Indian Commissioner

My dear Foundation
The ~~across~~ ~~must~~
you propose for
taken - ~~feels~~ a
good one, & I should
be carried out - in
respect to the step
I think it

will be the best
place to give it
out -

The other things
I want in I suppose

I also suppose
I want

My dear immediate
As there is no
Commit today, I send in
this from a matter which
I intended to bring before
Committee in my
Hutch is in view of
a really efficient
Collection & have charges
of the Hancock Division,
viz. the Hancock & Pan-
-Francisco Tolson, which
is appointed to the charge

of a Dep. Comm. - It is an
important char., as it is
identical with the old
Sub. Collectors, & continues
the Carvery Taluq. A
man of position & name

Therefore is wanted -

Such a man - Ramaya
now Dep. Comm. in Taurin,
& it occurred to me
that he might be appointed
to it; giving him at the
same time a step in
promotion to make the

transfers agreeable. He is
now in the 2nd class, &
would thus be put into
the first. I have no doubt
in my certainty as to
such a step, except I be
wrong, which I doubt.

Cannot show -

Ramaya is young
certainly; tho' both abt. 40

& fully active; I doubt

if however you
thought it too much to give
him a step now, the prospect
of it at no distant dark night

he held out to him; & he might
be told that this transfer
was to be held to him a
claim. //

his Rammant Hall
on Tuesday Dec. 26. in
Taylors, Sidarins Pilling
one of Taylors' men might be
unminded; & Codell might
be an acting man till
he is available. Sidarins
Pilling is a very efficient
man; but his health is not
equal to the throwing about
of the Indian Commission
during my time.
