Proceedings of the Madras Government, Revenue Department,
31st January 1861.

No. 507. Read the following Proceedings of the Board of Revenue, dated 19th January 1861, No. 343:—

Read the following letter from G. S. FORBES, Esq., Collector of Ganjam, to W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue, Fort Saint George, dated Chetterpúr, 28th December 1860, No. 333.

With reference to your Board's Proceedings, No. 5,690, dated the 5th instant communicating orders of Government, dated the 30th ultimo, No. 2,276, I have the honor to inform you that hitherto the Salt Deputy Collector has been stationed at Chicacole as it is the nearest point to our chief Salt works, and seems, therefore, the most convenient station. As this is the case, I should be glad to know if the Board wish the arrangement altered.

———

1. The Board do not object to Chicacole being considered the Head-quarters of the Deputy Collector in charge of Salt, if he can be provided there with such slight office accommodation as he may need, but they especially desire to guard against the evil of the Deputy Collector becoming a stationary Officer. He should be continually on the move, and his Head-quarters should be where his presence is most often required.

2. If this is in the vicinity of Chicacole rather than of Chetterpúr, the former place may be designated as his Head-quarters.
