No. 509. Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. BOURDILLON, Esq., Secretary to Government, Public Works Department, Fort Saint George, dated Chepauk, 23rd January 1861, No. 9,129 :—

SIR,

Dated 20th December 1860, *No.* 277.

1. I have the honor to submit herewith for the sanction of Government an application from the District Engineer, Tanjore, to be allowed to entertain four Lascars in each Range for one month for the purpose of surveying the new Táluq boundaries.

Dated 12th January 1861.

2. Before forwarding this to Government, I deemed it proper to obtain Mr. Pelly's opinion upon the matter, and I enclose his letter where in he says he would support the request ; I trust, therefore, that Government will grant authority to the entertainment for the purpose above named of twenty Lascars for one month at Rupees 6 each, the total cost being Rupees 120.

Communicated in Extract Minutes Consultation, 26th June 1857, *No.* 1,255.

3. As I do not consider that this work falls under the class of Surveys referred to in the Proceedings of the Government of India, 27th April 1857, No. 2,196, I do not feel that I can sanction the employment of the Lascars under that order, and accordingly I make the present application.

No. 510. ORDER THEREON, 31st January 1861, No. 254.

The Governor in Council sanctions the expenditure of a sum not exceeding Rupees (120) one hundred and twenty, for the purpose stated in this letter.
