PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Adjutant General of the Army, Fort Saint George, 25th January 1861, No. 74; to the Secretary to Government, Military Department.

The delay in adjusting the Family payments of the Families of the 2nd Regiment N. I., having been brought to the Commander-in-Chief's notice, the Officer Commanding Centre Division was addressed on the subject, and from a letter received from Major General McCleverty, which is enclosed for perusal, it appears that these people who proceeded in the second week of this month from Arnee to Chittoor, a distance there and back of 82 miles, only then received their dues for September and October; the payments for November and December still remaining unpaid.

2. The Major General has suggested, that Captain Wright of the European Veterans should be directed to proceed once a month from Arcot to Arnee, for the purpose of mustering and paying the Detail of the 2nd and the Families at that station. As this arrangement will obviate the very objectionable delay which at present takes place in adjusting the claims of these

poor women and children, and will render unnecessary their having to journey to and from Chittoor, His Excellency has approved of the Major General's proposal, and I am instructed to request the sanction of Government to the

measure, with reference to the Notification dated 21st August 1860, in the Fort Saint George Gazette.

3. The Major General has further been requested to communicate with the Paymaster at the Presidency and Superintendent of Family Payments, to ensure Captain Wright's being placed in Funds at the proper time to make the necessary payments.

ORDER, No. 329, 25th January 1861.

Under the circumstances represented in the foregoing letter, the Governor in Council, in accordance with the Commander-in-Chief's recommendation, sanctions Captain Wright of the European Veterans proceeding once a month from Arcot to Arnee, for the purpose of mustering and paying the Detail of the 2nd Native Infantry, and families at the latter station.

2. The necessary arrangements will be made for supplying Captain Wright with the requisite funds.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from HENRY COPE, Esq., to T. PYCROFT, Esq., C. S.
Secretary to Government, Madras, dated Umritsur, 24th December 1860.

I am informed the Government of Madras have done me the honor to reprint my trans-
lation of the French papers regarding the Green Dye of China, I should be much obliged if I
could without any inconvenience be favored with a copy of the reprint.

2. Might I be permitted to draw the attention of your Government to the cultivation of
Flax on the high lands of the Madras Presidency. I feel assured that it would succeed in Mysore
and other Provinces where the temperature is the same as that of Mysore.

ORDER THEREON, 19th January 1861, No. 84.

A copy of the reprint referred to will, as requested, be forwarded to Mr. Cope.

2. Paragraph 2 of the foregoing letter will be communicated to the Revenue Department
where the subject will receive consideration.
