Dated 24-12-1861.

Not to be folded or roughly handled

Fort Dispensary. 14th December 1861.

I, William Nathaniel Chipperfield, Assistant Surgeon, Fort St George, do hereby certify that Mr. Brooke Cumliffe Leggate, of the Revenue Survey Department, to whom leave of absence for three months on sick certificate was granted on the 16th September 1861, continues in a bad state of health, and I solemnly and sincerely declare that, according to the best of my judgment, a further change of air is absolutely necessary to his recovery; and that the circumstances of his case are such as to render an extension of his leave of absence for the period of one month, for the purpose of his proceeding to the Windward Hills, highly desirable.
