To the Right Honorable
Sir Charles Wood KCB
Secretary of State for India.

The respectful Petition of Syud
Shah Kullyoolah, alias Syud
Shah Abdul Rhyman Kachree,
Commandar of Pottulpoottoor Village,
and Manager of the Durgah therein
situated, in the Talook of Bruma-
dasum of Sinnerelly Zillah.

Respectfully Sheweth,

That one of your Petitioner's
forefathers, obtained from the Pondyan King
Koolasajara Rajah nigh 500 years ago, with all
due formality & Ceremony, certain waste lands
for the maintenance of a Pullyvasul, which the Rajah
had erected, & appointed your Petri said forefather
as Quest & Manager, & which he hitherto supported
from the State Funds; & built houses & bazzars
thereon & called it Pottulpoottoor or Rhyman
Nagarum, & supported the said Pullyvasul from
the rents of the said houses & bazzars & other items
of Musturpha, and the said Rajah granted him
a Manibam Sumud for the same in perpetuity,

and the said Pullyvasul was kept up & maintained thereby till the time of the Nabob Wallajah.

That at that time the house of your Petri's forefathers, which was situated on the bank of the Rama Nudce, a river, which flows near Pottalposton, & in which the above hummed & other documents were kept, was destroyed by an unprecedented flood which happened in the said river, & with it the said documents and every thing that it contained.

That your Petri's grand father Syed Ollr Abdul Ohymaw Kadree, represented the misfortune to the Nabob Wallajah through Inchoammed Sadeck Khan the then Governor of Linnelly, & prayed him to grant him another hummed in the place of the one that was destroyed, and His Highness was not only graciously pleased to grant him such a one, under date the 22^d of supper Higiiri 1191, but also ordered his house to be rebuilt, and a stone inscribed to be erected with a Kooka vasal & door to it at the expence of the State, and it was so done; and your Petri's forefathers enjoyed the same & maintained the Pullyvasul till the Company's time, by whom also it was confirmed to them.

That in the year 1832 Mr. Eaton the then Collector of Linnelly, visited the

historpha of your Petri's Village together with the historphas of the icehole District, and your Petri's Agent in charge of the Pullyvasul failing to obtain compensation for the historpha, & to take away from him, by Mr. Eaton, your Petri himself addressed an Urzee in 1833 No 690 to the Board of Revenue. The Collector was thereupon called, for an explanation, & in sending such to the Board of Revenue, he took from your Petri the hummed given by the Nabob Wallajah to submit to the Board of Revenue, and granted your Petri an authenticated copy of it. Having received no answer, your Petri again petitioned the Board of Revenue in 1838 No 707, and the Collector was again called upon for explanation, & in affording it this time, he submitted translation of the original hummed & sent an account of the historpha belonging to your Petri's village Huslywar from July 1242. The Board of Revenue having failed to grant your Petri any redress, he appealed to the Governor in Council on the 1st November 1840, and also addressed a Petition to the Board on the 5th Idem.

That the Collector in submitting his report this time, informed the Board that

unlike other Kuttoo Goolahy Villages which had
Kungah & Poonjah lands belonging to them, your
Petitioner's vessel had only to look for the Master of
this Village for its support.

That your Petitioner subsequently petitioned
all the local authorities in this Country for
restitution of his rights, and refund of mesne profits,
but in vain, & is consequently now compelled to
throw himself at the feet of Her Most Gracious
Majesty, for that redress, which had been denied
him in India, & he implicitly relies upon
Her Most Gracious Majesty's Proclamation
of the 1st of November 1858, that justice will
be done him; the more especially as Her Majesty's
Government has shown by various acts, that
it does not desire to enrich itself at the expense
of the religious institutions of this Country.

That your Petitioner humbly begs to
submit, that the justice of his claim has been
acknowledged, in the restitution of Moturpha
made to the Zemindaries of Shevazunga & Ramnad,
& all the Paliaputs in Linnivelly.

And your Petitioner
as in duty bound
ever prays.
