No. 107.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Dated 8th February 1861, No. 311.

1. The Government resolve to call the attention of the Board of Revenue to a letter in the "Madras Times" of the 6th instant, signed "Garibaldi's A. D. C." on the subject of Income Tax assessment at Tuticorin.

2. The Board will ascertain and report the arrangements made by the Collector for the assessment at that place, containing as it does a number of European residents. It appears to Government that the proper plan would have been to entrust that duty to the Deputy Collector Mr. Wright who has his head quarters there, rather than to the very incompetent agency which seems to have been actually employed.
