*Proceedings of the Madras Government, Revenue Department,
8th February 1861.*

No. 112. Read the following Proceedings of the Board of Revenue, dated 11th January 1861, No. 193 :—

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue, Fort Saint George, dated Vallam, 15th December 1860, No. 407.

SIR,

1. With reference to the Proceedings of the Madras Government, under date the 25th October last, No. 1,947, communicated with the Board's Proceedings of the 30th idem, No. 4,999, I have the honor to state that, as therein directed, the abstract for the pay of the Establishment of the resumed Mukhása villages was at last passed by the Civil Auditor. But the abstract submitted for the Sádirwárid charges incurred for the said Establishment from March to October 1860, has been returned unaudited with a remark that the special sanction of Government must be obtained therefor.

2. The Sádirwárid charges for the Establishment maintained for the management of the resumed Mukhása villages are absolutely and indispensably necessary. Hitherto, and during the time the villages were held under attachment, the expenses actually incurred have been shown as charges but without any fixed scale, and the scale now submitted for sanction and audit is the average amount of the expenditure so incurred in Fasli 1263. Every care will be taken that this amount is on no account exceeded.

3. I, therefore, beg to request you will be pleased to obtain the necessary sanction of Government for the amount of Sádirwárid charges incurred from March to October being passed by the Civil Auditor, and for its continuance until a final revision is made on the matter.

1. Ordered that the foregoing letter, and its accompaniment, be submitted for the orders of Government, with reference to their Proceedings, dated 25th October 1860, Revenue Department, No. 1,947.

2. Under the circumstances stated by the Collector, the Board recommend that sanction be granted for the Sádirwárid charges for the Establishment referred to, from March to October 1860, amounting to Rupees 165-5-4; and that the Civil Auditor be directed to admit similar charges at the same rate, until a final decision shall have been passed respecting the Tanjore Raj.

(A true Copy and Extract.)

(Signed) W. HUDLESTON, *Acting Secretary.*

No. 113. ORDER THEREON, 8th February 1861, No. 314.

1. The statement of charges submitted by the Collector appears on examination not to show the actual monthly charges as it professes, but averages, deduced probably from the true accounts. These averages will do well enough as a limit for future expenditure but they cannot be passed as the actual past expenditure. The Board will request the Collector to submit a statement of the actual expenditure.

2. The Government sanction the sum of Rupees (250) two hundred and fifty for the future annual Sádirwárid expenditure of the Mukhása villages; and the Civil Auditor is authorized to pass it within that sum.
