Official Memorandum

The Acting Reporter of External
Commerce has the honor to inform the Secretary
to Government Revenue Department that the
charge of Rs 150 for Printing the Blank
Statements of Trade was not provided for
in the Budget of 1861/62, but was included
in that of 1860/61. The statements were
required for the latter year, and the
estimate was prepared accordingly, but
owing to the delay on the part of the Printer,
the statements were not received by this
Department until after the completion of
the year they were estimated for.
