No. 188. Read the following Endorsement of the Chief Engineer, dated Chepauk, 11th January 1861, No. 8,740 :—

Read the following letter from Captain L. PAXTON, Acting District Engineer Madura, to the Deputy Chief Engineer Southern Circle, dated Madura, 8th December 1860, No. 998.

SIR,

With reference to Extract of Proceedings Chief Engineer, No. 7,423 of the 28th November 1860, containing Proceedings of the Madras Government, Revenue Department, in which it is determined to abandon the Public Bungalow at Ammianickenoor, I have the honor to request that the Bungalow in question may be made over to the Department, as from its position it would be eminently useful as a Depôt for tools, &c., especially if the proposed repairs on the road between Ammianickenoor and Palkanooth, proposed by Captain Ryves, be carried out.

Submitted for the orders of Government with reference to their Proceedings in the Revenue Department, No. 1,963, dated 26th October 1860, with the recommendation of the Chief Engineer that the Acting District Engineer's request may be complied with.
