No. 211. Memorandum from H. SMITH, Esq., Superintendent Fort Saint George Gazette Press, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated 30th January 1861.

The Superintendent Government Printing Establishment, with reference to the lists* of English and Telugu type for the Vizagapatam Collectorate Press, furnished to this Office to be checked, begs to report that the list of Telugu type appears to include all that is necessary to make a complete and efficient fount, and that the other articles enumerated are legitimate wants in a Printing Office and are properly set down; but the English heading type can only be obtained from England and arrangements might be made for getting it out with the supplies for this Office. The Great Primer type can be procured, and is probably more urgently needed, but not in the small quantity at which it is set down (viz., 30 lbs). It is not obtainable at Madras under 120 lbs. The press materials and all the Telugu type can be supplied here and will be put in hand directly the order is received.

* *The lists, &c., are herewith returned.*

Collector of

Vizianagram

Sir,

With reference to the Proceedings of the Madras Government dated 31st October, and the Board's Proceedings dated 10th Idem, I have the honor to forward 2 Statements of the Type required for our Press in English and Teluguu, and request you will be good Enough to obtain Sanction for them.

2. We do not require the whole of the Articles referred to in our Indent dated 28th May 1859, except those that are marked in one of the aforesaid Statements signed in K, which we require for the Completion of the Type transferred to us from Electric Telegraph Office. The heading Type referred to in the Same

x herewith returned

Fraction ¼ to the End and quadrate one figures, 1, 2, 3 M. Brace with 1 M. turner.

same list is indispensable, the Transferred Type not Consisting of any of that description.

3. The Indent formerly made for Telugu Type, seems to have been made on the scale of 16 Pages only for printing a weekly Gazette, whereas our Gazette now extends to more than 8 pages, besides this, we have Miscellaneous work of our own — and that of the other offices independent of what we have on hand to print from selected old records for reference: for all these reasons, I recommend the necessity of having the Type now indented for.

4 To avoid any Mistake at Madras in putting out the Telugu Characteristics and the Telugu Quadrats and Spaces &c. applied for, 16 Specimens thereof contained in 5 Packets are herewith forwarded to be submitted to the Board.

I have the honor to be
