No. 220. Read the following letter from F. WALTHEW, Esq., Secretary to the Income Tax Commission, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Madras, 7th February 1861, No. 39 :—

SIR,

With reference to the first Section of paragraph 3 of the Order of Government, dated 4th instant, No. 272, I am directed by the Commissioners to state, that the charge of Rupees 153-2-0 for Form No. 11 made in Messrs. Gantz Brothers' Bill is correct; and I have the honor to explain that the entry in question was originally " double page," but that when the Bill was examined, the word " double" was struck out as being an error. Mr. Gantz however subsequently showed that the term *double* applied to the size of the paper, and not to the printing, upon which it was admitted by the Commissioners, but by an oversight the word " double" was left erased with " single" written above it.

2. With reference to the charge for Envelopes, I am directed to observe that it was found necessary at the first introduction of the Income Tax, to buy Envelopes for the purpose of sending out the large number of Special Notices which were issued. This practice has, since the first purchase of 10,200, been discontinued.

3. Under the explanations given, the Commissioners solicit that the Contingent Bill of their Office for the month of December, amounting to Rupees 6,486-11-9, may be sanctioned in its integrity.

No. 221. ORDER THEREON, 16th February 1861, No. 368.

Under the explanation furnished in paragraph 1 of this letter, the Governor in Council sanctions the sum of Rupees (61-4-0) sixty-one and Annas four disallowed, in paragraph 3 of the Order of February 4th, No. 272, from the Contingent Bill of the Income Tax Commissioner's Office for December last.
