SIR,

I do myself the honor of acknowledging the receipt of the Order of Government, noted in the margin, with the enclosures (which are herewith returned) and to report for the information of the Honorable the Governor in Council, that since the order referred to I have received from the Government Solicitor a large bundle of papers relating to the subject of Mr. McIvor's lease; these have received my attention, but I am precluded from further proceeding and addressing Government on the subject, as under the request of the Deputy Secretary to Government made to the Government Solicitor under date the 28th ultimo, (and by that Officer forwarded to me) I did with my letter dated the 31st ultimo, return to him most of the papers, and to which further reference and consideration is needed.

No. 227 ORDER THEREON, 16th February 1861, No. 371.

1. The Government observe that Mr. Dale had the papers referred to for above a month, before they were recalled to the Office for the purpose of being copied for England, and that they were returned to him on the 7th instant. The case is one in which prompt action is desirable; and Mr. Dale will be requested to hasten his proceedings.

2. The letter of January 30th from the Collector of Coimbatore, and its enclosures, will be forwarded to Mr. Dale, and he will be requested to advise the Government as to the course to be pursued in the matter which forms its subject.

3. It is desirable that legal proceedings should be taken without avoidable delay; and an injunction to Mr. McIvor to stop cutting wood can then be obtained.
