Official Memorandum

1. In reply to the official Memorandum from the Secretary of Government in the Revenue and Public Works Department dated the 26th Instant at No 136, the Accountant General regrets that he has no spare copy of the Budget Estimates for 1861-62. The office copies are in constant use in the different Departments of this ~~Office~~ could not, without great inconvenience be spared during office hours for the purpose being copied.

2. As a complete copy of the Budget was furnished to the Chief Secretary of Government, the Accountant General would suggest as a more convenient plan, that the required portions be extracted from the Chief Secretary's Budget.
