*Proceedings of the Madras Government, Revenue Department,
23rd February, 1861.*

No. 349. Read the following letter from the Treasurer of the " Vestry Institution" at Trichinopoly, to J. D. BOURDILLON, Esq., Revenue Secretary to Government, Fort Saint George, dated Trichinopoly, 8th February 1861 :—

SIR,

1. I have the honor on behalf of the " Vestry Institution," to request that you will be good enough to obtain the sanction of Government to its Fund being exempted from the operation of the Income Tax Act.

2. The sources from which this Institution derive its income are shown below :—

	RS.	A.	P.
Interest on Government Securities	436	12	1½
Rent from Houses... ..	1,571	7	3
School fees, &c.	276	10	0

Total 2,284 13 4½

I should however state, that this amount is the probable receipt of the Institution, and the expenditure incurred on behalf of the Institution is equal to, and at times in excess of, its actual income.

3. I beg briefly to state, that this Institution is purely a charitable one, founded nearly a century ago by the venerable Mr. Schwartz, its especial object is to support and give a sound religious education to Orphans of European descent; in later years, however, children of East Indians and others who are objects of charity, have been admitted to the benefits of the School.

4. Under the foregoing circumstances, I trust the Government will be pleased with reference to the provisions contained in Section 133 of Act XXXII of 1860, and the Resolution of Government dated 26th October 1860, No. 1,968, to exempt from the operation of the Income Tax, the Institution in question, as the funds and property connected with it, are devoted entirely to religious and charitable purpose.

No. 350. ORDER THEREON, 23rd February 1861, No. 432.

Under Section 133, of the Income Tax Act, the Governor in Council is pleased to exempt from the duties chargeable under that Act, the property of the Vestry Institution, at Trichinopoly, as described in the foregoing letter.
