SIR,

With reference to the sanction of Government, dated 15th March 1860, No. 385, for the sale of a piece of land applied for by Mr. Higgins for building purposes, I have the honor to submit another application from the same gentleman for an additional piece of land, amounting to 17 Coontas 10 Vessams (about half an acre) as below specified, which adjoins the land already authorized to be sold, and for the sale of which no valid objection exists. This additional land forms part of a tope which Mr. Higgins wishes to enclose, and the quinquennial lease of the trees expiring this Fasli, it will be a good opportunity of dispensing with the Tope rent.

Ordered to be submitted to Government, in continuation of the Board's Proceedings, dated 23rd February 1860, No. 953, disposed of in the Proceedings of Government quoted by the Collector, and with the Board's recommendation that the sale of the land in question by auction at the upset price of twenty times the annual assessment be sanctioned.

No. 376. ORDER THEREON, 26th February 1861, No. 445.

1. The Board of Revenue forward an application from 15th March 1860, No. 385. Mr. J. Higgins, Missionary S. P. G. F. P., for a piece of land in Kalasapád, Cuddapah District, assessed at Rupees 0-6-4, adjoining one recently ordered to be sold under the free-hold rules.

2. It appears from the papers that this piece forms part of a Tope which is rented out; and the mere amount of the assessment does not therefore represent the Government Revenue from the land. The Board will therefore be requested to ascertain and report the actual receipts from the land for the last ten years.

(Signed) J. D. BOURDILLON,
Secretary to Government.
