From the second of the papers above recorded, the Board see no reason to question the identity of the late holder Mahomed Yusuff. IN CON. 30TH NOVEMBER 1860, No. 6,248:

From J. W. B. DYKES, Esq., Collector of NELLORE,

dated 27th November 1860, No. 197.

I have the honor to acknowledge the receipt of the Board's Proceedings of the 13th instant, No. 5,276, requiring explanation of the investigation made into the identity of the deceased Yeomiahdar therein under reference, and directing further inquiry if necessary. Also requiring information as to whether any of the co-grantees of the original Yeomiah are still alive, what their ages are, and when the original Sunnud was forwarded to the Board's office, and to send copy of the original Deed of Grant, &c., alluded to in column 3 of the tabular report submitted on the 19th ultimo.

2. The original inquiry was begun before I joined the district by Mr. Elton in May 1859, immediately after the death of the deceased Mahomed Yusuff, and a report was then called for from the Town Police Amin of Nellore. That officer reported in due course as directed, but my attention being attracted like the Board's to the great age thus attributed to the deceased, the parties were summoned, before myself, in July, and after taking various depositions on the subject, which tended to throw considerable doubts in my mind on the accuracy of the previous injury, the Deputy Collector in charge of the treasury was called on to report on the case with reference to the records of the office. To this requisition the Deputy Collector replied on the 21st August last, but his reply not being to the points mooted, his attention was directed on the 25th idem, to the precise questions raised by me in directing him to examine the records, viz., Was the demise of the late Yeomiahdar, Gulam Alli, who is said to have died in this century, reported to the higher authorities; 2ndly, if so, was any sanction obtained from them to allow the Yeomiah to stand in his son's name; and, 3rdly, should such not have been made on what authority has the said Mahomed Yusuff been in receipt of the Yeomiah in question up to the date of his death.

3. To this the Deputy Collector replied on the 30th idem that the death of Gulam Alli was not specially reported, but mention made of it in the Yeomiah Statement No. 3 sent to the Board in 1812, that Gulam Alli's share was sanctioned to be renewed in the name of Jamalabdin on the 29th December 1812, and that Mahomed Yusuff, another son of Gulam Alli, was in undisputed possession of his share since the assumption of the country up to the time of his death. That the said Mahomed Yusuff must have been a child at the time of the original grant of the Yeomiah in 1773, and was 86 years old at the time of decease, the said Mahomed Yusuff having been entered as 30 years old in the Yeomiah Register sent to the Board in 1801, by the then Collector, Mr. Fraser. That it was customary with the Mahomedan Government, in the event of a lapse of a Service Yeomiah, to register it in the name of the rightful heir, for whom, if a minor, a Naib was appointed to act till the grantee attained his majority, and was able to perform the service himself, and that in the opinion of the Deputy Collector the original report was correct. On this information the statement in the usual form was drawn up and submitted to the Board on the 19th ultimo, and as further evidence cannot be got, and there seems no further room to doubt the identity of the present claimant, its continuance in her name was recommended, which recommendation I now beg to repeat.

4. The original Sunnud appears to have been sent to the Board's office in 1804, and to have been included in the Yeomiah list forwarded in that year by Mr. Fraser. None of the co-grantees are now alive, and copy of the document called for in the last clause of the Board's Proceedings under reply, is herewith sent.

Col. 3 of the Tabular Report sets forth that the panna was granted on a certain date to five individuals named.

The original deed is not forthcoming, but a copy of an authenticated copy, also referred to in Col. 3, has been sent up.

In this copy the names of five persons are not entered. The allowance of one rupee is mentioned as having been granted to "Gulam Ali and others" and at the conclusion "the foregoing Panna was ordered to be issued in the names of "Gulam Ali & others, servants, four in number and Sheikh Lakturn, one in number."

and it appears that besides the 1100
 square feet zamina allotment, there
 were then 8 portions of land at Canoo
 "Turti, Land."

This land, or any portion of it,
 is not mentioned in the present
 tabular report.

In the list of Renewed Zamindars
 "after the demise of Original Pension-
 ers" which received the sanction
 of Govt on 29 Decr. 1812, the name of
Faimul-deen son of Goolamally is en-
 tered as claimant for the share of
 his father in the zamina in ques-
 tion. with the remark that "This
 man is the son of one of the five in
 the original number, after whose
 death this zamina was allowed by
 the late collector to be continued to
 him; he is besides one of the 5, and
 receives a share also: he is however
 said to perform the duties of both per-
 sons to Asaur (a religie brought from
 "hella) & for which great respect
 is entertained by the Mussulmen."

The deceased Shahomed Yusuf
 whose death is now reported never
 seems to have enjoyed more than
 his own one-fifth share.

The co-grantees of the original
Gammia are reported to be dead.
It is not mentioned what has
become of their share.

The Collector recommends that
the share of the Gammia which belonged
to the deceased should be continued to his
widow, for life, with accretions from
date of death.

Not. The deceased has left
no issue; & his share may fairly
I think be held to belong to the widow
