*Proceedings of the Madras Government, Revenue Department,
27th February 1861.*

- No. 398. Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated 4th February 1861, No. 729 :—

SIR,

- *Dated 22nd January 1861.* 1. I have the honor to submit for the consideration and Orders of Government a letter* from the Collector of Malabar, requesting permission to retain his present Printing Establishment till the 1st May next.

2. He states that besides the present Head Compositor none of the others are at present sufficiently qualified to deserve the high salaries provided in my scale, and thinks that some time must elapse before they could attain that degree of experience and dexterity essential for the efficient performance of their heavy duties. For this purpose Mr. Grant has entertained a large number of Apprentices on small salaries, the whole not exceeding in cost the sanctioned sum of Rupees 125, and he proposes to select from these competent persons as Compositors after a training of some months. Under the peculiar circumstances of the case, I have the honor to request that Government will be pleased to authorize the Civil Auditor to pass the Pay Abstracts of the Malabar Collector's Printing Establishment without reference to the *distribution* of salaries, taking care only that its cost does not exceed the sanctioned amount of 125 Rupees, *till the 1st May next.*

No. 399. ORDER THEREON, 27th February 1861, No. 457.

On the recommendation of Mr. Pelly, the Government give to the Collector of Malabar the latitude he asks, for the efficient starting of his Press. The Civil Auditor will accordingly pass the Abstracts of that Establishment up to the 1st May next, if within the sanctioned amount of Rupees 125 per mensem, without reference to the distribution of salaries.

Deputy Secretary to Government.
