My dear Sir

I shall feel very much obliged by your bringing the following circumstances to the notice of His Excellency the Governor, and soliciting His Excellency's interference in my behalf.

On June last I submitted a usual Abstract to the Civil Auditor, containing the Items of my pay for May viz Civil Allowance Rs 300 and Military, Retiring & pay drawn in Civil Department Rs 25-2-5-0.

The Abstract was returned passed for Rs 300 only with the Remark that the other Item was disallowed, not being entered in the Military Budget. — One soliciting

explanation of this from the Officiating Conservator of Forests, Captain Morgan, I was told that the matter was under the consideration of Government, and that as soon as a decision had been arrived at I should be duly acquainted with it.

I have since applied to the Civil Auditor

would at once intimate me. I should then be left at liberty to do so myself.

I sent the Abstract and letter on the 1st Instant, and have not received any reply. I am now therefore constrained to address His Excellency the Governor through you direct on the subject.

My dear Sir

With reference to my letter
of the 20th Instant, I have now
the pleasure to inform you that

that you will be prepared to
proceed forthwith:

To The Military Secretary
The Madras Government
Fort St. George.

Sir

I shall feel very much obliged if you bring to the notice of His Excellency the Governor in Council soliciting His Excellency's interference on my behalf.

On June last I submitted a second Abstract to the Civil Auditor, containing the Items of my pay for May viz. Civil Allowance Rs 300 and Military, Station & pay drawn in Civil Department Rs 252-5-0.

The Abstract was returned passed for Rs 300 only with the remark that the other Item was disallowed, not being entered in the Military Budget. — On soliciting you

Intimation of this from the Officiating Conservator of Forests, Captain Morgan, I was told that the matter was under the consideration of Government, and that a decision had been arrived at. I should be duly acquainted with it.

I have since applied to the Civil Auditor but he referred me to the Head of my Department, to whom I have either applied in person or written on the subject every month since; but cannot obtain the answer that it is still undecided.

On the 1st of this month I sent him my Abstract for the Arrears of Military Pay amounting to Rs 1009-4-0, requesting him to inform the Civil Auditor that if he was still disinclined to pass the Abstract the matter must be referred to His Excellency the Governor: but that should Captain Morgan be unwilling to represent the circumstances, if he would at once intimate me. I should then be at liberty to do so myself.

I sent the Abstract and letter on the 1st Instant, and have not received any reply. I am now therefore constrained to address His Excellency the Governor through you direct on the subject.

My request to the Head of my Department, has always been that I might be allowed to draw the sum of Rs 252-5-0 as usual, leaving the mere question of what account it is to be settled hereafter. It should be debited to be settled hereafter. It is His Excellency's authority for the payment of this portion of my Salary which I now respectfully solicit.

I trust I have not taken an undue liberty in thus making known my wants to His Excellency; but I do not see that any other course was left open to me; and I respectfully beg to bring to His Excellency's notice that I am undergoing great

Inconvenience as well as loss from the stoppage of the Wages an Amount from my Pay while on Sick Leave and consequently on half Staff Allowance.

I am

Dear Sir

Yours very truly
