No. 71. Read the following Proceedings of the Court of Wards, dated 12th February 1861, No. 806 :—

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to J. D. SIM, Esq., Secretary to the Court of Wards, Fort Saint George, dated Vellum, 2nd February 1861, No. 47.

SIR,

1. With reference to paragraph 19 of my report, dated 11th September 1860, No. 291, on the management of the Minor Estates for Fasli 1269, I have the honor to state that the Minor of the Gandrakottai Paliput, Atchutapandarattar, has presented an application to me, stating that he has now attained his majority and desiring that his Estate should, therefore, be made over to his charge.

2. On referring to the records of this Office, it would seem that the Minor is considered to have attained his majority on the 1st January 1861, but (as in the case of the Kabistalam Minor) there is no reliable evidence to show that the Minor's birth took place on that date, and on the contrary the Minor has produced his Horoscope, from which it is shown that his birth took place on the 21st April 1843. Presuming this to be true, the Minor will have completed his eighteenth year on the 20th April 1861. From an entry in some of the Estate accounts, a doubt has arisen as to whether the birth of the Minor did not take place on the 21st April 1844, which would make him just a year younger and postpone to that extent his coming of age.

3. Looking, however, to the personal appearance of the lad, and to the intelligence which he displays, I am inclined to think that his statement cannot be far from the truth ; and as he is able and qualified to undertake the management of his property, I beg to recommend that I may be authorized to make the same over to him on the 21st April 1861, together with the surplus funds invested in public securities, and such sums as may be in deposit, and also all other properties connected with his Estate.

4. The necessary accounts and receipts will be furnished in due course as soon as the delivery is completed.

The Court of Wards authorize the Collector to make the Estate, &c., over to the Minor on the 21st April next.
