MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Remount Agent Oossoor, 7th February 1861, *No.* 541; *to the Secretary to Government, Military Department, Fort Saint George.*

With reference to paragraph 2 of Government Order No. 385 of the 30th January last, I have the honor to report for the information of Government that I think it most advantageous that ground to the extent of at least 1200 Acres should be made over in the first instance to the Depôt and that this ground should be in a ring, fence round it—There will thus be secured proper land for Hay, Lucerne, Carrots, Gram, and Raggy, all indispensable articles of food for horses—by securing it in the immediate vicinity of the Lines the Depôt will obtain command of a chain of fine Tanks, as well as high, and low land—it will also be near at hand for the convenience of manuring it, and of being under the more immediate supervision of the superintendent, and subordinate Officers.

ORDER, No. 764, *26th February* 1861.

Ordered that the letter from the Remount Agent, above recorded, be referred to the Revenue Department, with a view to its being ascertained whether the land required by the Remount Agent at Oossoor can be made available for transfer to the Depôt and on what terms. The Remount Agent will be instructed to communicate with the Collector of Salem on the subject in regard to the situation of the land and on any other point that may be necessary.

2. The Remount Agent will meanwhile furnish Government with full information regarding the cost of Establishment and outlay which will be required to render the land productive, the time that will probably be occupied in the same and the future estimated saving.
