These shares valued at Rupees 50 each, were originally subscribed for in my own name, but transferred to those of my sons in July last; and the only *direct* interest which I have in the above Estate, which is managed by a Committee composed of six of its members, is to receive reports of their Proceedings, and give my vote, as the natural guardian of my sons, for or against resolutions that may be advanced by its members.

Submitted to Government in continuation of the Board's Proceedings, dated 29th ultimo, No. 523.
