Proceedings of the Madras Government, Revenue Department, 3rd April 1861.

No. 10. Read the following Report from the Officiating Civil Auditor :—

Submitting that a month's sick leave can be granted to Mr. R. Morison, Assistant to the Conservator of Forests. (Here enter 22nd March 1861, No. 4.)

No. 11. ORDER THEREON, 3rd April 1861, No. 728.

1. The leave to Mr. R. Morison is granted as recommended.

2. It will be pointed out to the Officiating Conservator of Forests that his letter recommending the leave ought not to have been addressed to the Civil Auditor, but to have been addressed to Government, and forwarded through that Officer. Further, a separate letter from himself was unnecessary ; an endorsement on the original application would have been quite sufficient.

To,

Madras.

Sir,

Since last addressing you I visited the Lumbadmullay hills, the particulars of my visit I shall give you in another letter. While up there I contracted severe fever - finding myself better on my return to Cuddapah I started in compliance with your instructions for Banelpillay where I was taken so severely ill and being without any medical aid that I was obliged to be carried down to Compa- -ny pett from which station I came in here and arrived in a very bad state late on Saturday.

I trust the above explanation will be a sufficient excuse for my not having informed you of my intention to leave the District.

I enclose a Certificate from my medical adviser and trust you will be good enough to grant me sick leave for one month to en- -able me to recover my health.

I have the honor to be &c
