*Proceedings of the Madras Government, Revenue Department,
5th April 1861.*

No. 52. Read the following Proceedings of the Board of Revenue, dated 13th March 1861,
No. 1,387:—

Read the following letter from E. B. THOMAS, Esq., Collector of Coimbatore, to J. D. SIM,
Esq., Secretary to the Board of Revenue, Fort Saint George, dated 1st March 1861,
No. 45.

SIR,

1. I have the honor to forward copy of a letter from Reverend E. Laseron, dated 13th ultimo, applying for 100 Cawnies of waste land for planting trees.

2. Mr. Laseron requests that the land in question may be granted to him on more easy terms than are usually allowed, and I beg to recommend his application for the favorable consideration of the Board.

1. The Order of Government, dated 12th February 1861, Revenue Department, No. 338, precludes the Board from applying to Government for specially favorable terms, nor does the present case seem to them to present any peculiar features justifying exceptional treatment.

2. The Board resolve, therefore, merely to request the permission of Government to have the land applied for by Mr. Laseron put up to auction without any upset price but subject to a quit rent of 1 Rupee per annum.

3. The Collector will have the boundaries of the land properly marked before the sale, and will take care that no private claims to it exist.

(A true Copy and Extract.)

(Signed) J. D. SIM, Secretary.

No. 53. ORDER THEREON, 5th April 1861, No. 749.

The ground applied for by Mr. Laseron will be put up on the terms stated by the Board in the second paragraph of these Proceedings, being those sanctioned by the Government for land applied for on the Neilgherry and other Hills, outside the stations.

(Signed) J. D. BOURDILLON,
Secretary to Government.
