## *Proceedings of the Madras Government, Revenue Department, 8th April* 1861,

No. 118. Read the following letter from W. E. COCHRANE, Esq., Reporter, External Commerce, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 23rd March 1861 :—

SIR,

1. I have the honor to forward 75 printed copies of the Statements of the Trade of this Presidency for the official year 1859-60. The work has been delayed three months on this occasion, and Mr. Pereyra is, thereby, under his usual guarantee, subject to a penalty of Rupeess (287) two hundred and eighty-seven.

2. Mr. Pereyra states, that the delay was owing to the scarcity of procuring good and efficient workmen, and the irregular attendance of those he engaged for the work, he has also been forced at times to give higher wages to printers, and that the cost of paper and binding, &c., had increased 25 per cent. above that of former years, thereby entailing a heavy loss to him; and begs that Government will be pleased to overlook the penalty being enforced on this occasion, which I beg respectfully to recommend.

3. The charge for printing 200 copies of the Statements for the year 1858-59, was Rupees 1,650, and as Government have in their Proceedings of the 19th July 1860, No. 1,199, paragraph 3, reduced the number to 100 copies for the last official year, Mr. Pereyra undertook the work for Rupees 1,250, making a reduction of Rupees 400, which I consider reasonable, as there is no difference whatever in labor save and except the cost of paper and the binding.

4. Mr. Pereyra has had the printing of the Trade Return for the last twelve years and always delivered them before the prescribed time, and as this is but one solitary instance of delay, I therefore trust that Government will kindly take Mr. Pereyra's case into their favorable consideration and remit the fine which he has incurred; and that they will be pleased to sanction the Bill * in full for printing the above Returns amounting to Rupees (1,250) one thousand two hundred and fifty, with a warning that a like breach of agreement will not be overlooked.

* *Enclosed to be returned.*

5. Twenty-five copies of the Trade Returns have been retained for distribution as follows :—
