Proceedings of the Madras Government, Revenue Department, 9th April 1861.

No. 128. Read the following Proceedings of the Board of Revenue, dated 4th March 1861, No. 1,211 :—

Read the following letter from G. THORNHILL, Esq., Acting Magistrate of the Kistna District, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Gudivada, 20th February 1861, No. 53.

SIR,

1. I have the honor to bring to your notice, that of the three first class bungalows in this District, those at Bezwada and Shermahommedpett only are supplied with maties, whilst for the third bungalow in the Masulipatam Fort, a maty was not allowed, the Board having assigned only two maties and three cooks for this District. The last mentioned bungalow is also very much frequented by travellers both landing at, and sailing from, the Port at Masulipatam,

2. I beg to note in the margin the collections and the expenditure at this bungalow for the last six months, and beg you will obtain the sanction of the Board for the employment of a maty also whose services are very much required. The Bezwada and Shermahommedpett bungalows being situated on the high roads, and much frequented, the maty cannot be spared from either.

3. I have also to bring to your notice that great inconvenience is experienced in supplying bathing water to travellers at the Bezwada Bungalow; there is no well in or near the compound, nor could one be dug except at a heavy cost, and water has to be brought from so great a distance that the Bungalow servants are unable to supply it in addition to their other duties. I shall, therefore, feel obliged by your obtaining the sanction of the Board to employ a servant for the duty at Rupees $2\frac{1}{2}$ per mensem. The collections* more than cover the cost† of the Establishment.

1. Submitted to Government with the Board's recommendation that a Maty on Rupees $3\frac{1}{2}$ monthly be allowed for the Masulipatam bungalow, and that a waterman on $2\frac{1}{2}$ Rupees monthly be added to the Establishment at Bezwada for the special reason mentioned by the Collector. As watermen are not attached to other bungalows, the Board see no objection to the levy of a light charge—say one Anna—for the supply of water for bathing.

2. The fees collected suffice on an average to cover the additional expenses now proposed.

2. Adverting to paragraph 1 of the Collector's letter the Government request to be informed why Maties are employed at the Bungalows at Bezwada and Shermahommedpet, when the sanctioned scheme provided only a cook at the former Bungalow, and no servant at all at the latter. Only two Maties were asked for and allowed for the late Masulipatam District; and these were to be employed at the Bungalows at Gannaveram and Ramachendra Apparowpet.
