Proceedings of the Madras Government, Revenue Department, 10th April 1861.

No. 151. Read the following Proceedings of the Board of Revenue, dated 26th February 1861, No. 1,041:—

Read letter from the Collector of Vizagapatam, dated 5th December 1860, No. 1,254, reporting on the management of the Palcondah and Hunjeram Estates for Fasli 1269, under rent to Messrs. Arbuthnot & Co.

(In Cons., 12th December 1860, No. 6,509.)

1. Resolved that the foregoing letter with its enclosures be submitted for the information of Government.

2. The season is reported to have been less favorable than the last, but the crops were good and prices high.

3. Of the entire settled demand amounting to Rupees 1,38,583-7-4, a sum of Rupees 1,38,393-10-8 was collected within the Fasli, leaving a balance at its close of Rupees 189-12-8.

4. The arrear at the commencement of the Fasli, viz., Rupees 1,924-13-10 was much less than that outstanding at the beginning of the previous year, and the whole was liquidated with the exception of Rupees 877-7-9, which with the current balance of Rupees 189-12-8 already adverted to, raises the entire sum payable by the Ryots to the renter to Rupees 1,067-4-5.

5. The foregoing particulars in regard to arrears are taken from Mr. Young's letter, the renters' agent, the Collector's report being altogether silent on the point.

6. The maramut expenditure of the year was only Rupees 1,049 or Rupees 92 below that of Fasli 1268; but the Collector reports that this was found sufficient.

Board's Proceedings, 19th February 1861, *No.* 915.

7. Mr. Fane speaks favorably of the management of the renters, and in a separate communication the Board have recommended a continuance of their lease for ten years at a higher rent.

No. 152. ORDER THEREON, 10th April 1861, No. 798.

1. The foregoing Proceedings of the Board of Revenue, together with its accompaniments relate to the management during Fasli 1269 (1859-60) of the Palcondah and Hunjeram estates in the Vizagapatam District, which are held on rent by Messrs. Arbuthnot & Co.

2. There is little to remark upon in this report. The operations of the year differ but slightly from those of previous year. There is a slight falling* off in the quantity of land cultivated; but the settlement exceeded that of 1268 by Rupees 14. The number of Ryots, and their ploughs, cattle, &c., continues much the same as before.

* 48 *acres and odd.*

3. The cultivation of Indigo, the Government are glad to observe from the renters' letter, is increasing steadily.

4. The objectionable practice of granting Takavi or advances for cultivation should, if possible, be discontinued.

Deputy Secretary to Government.
