(Signed) C. HUGH LUSHINGTON,

Secretary to the Government of India.

Ordered that the following letter be despatched.

No. 194. From J. D. BOURDILLON, Esq., Secretary to the Government of Fort Saint George, to the Secretary to the Government of India in the Financial Department, dated 12th April 1861, No. 818 :—

SIR,

1. I am directed to acknowledge the receipt of a resolution of the Government of India in the Financial Department, dated March 9th 1860, No. 2,899A, noticing an order in the Proceedings of this Government for September 1860, approving the location of Sub-Magistrates in the Bellary District, and calling for a Tabular Statement of increase and decrease.

2. I am directed to state in reply, for the information of the Government of India, that the Sub-Magistrates in question were a small part of those referred to in paragraph 11 of my letter of September 14th 1860, No. 1,596. That letter reported the very extensive changes and reductions that had been made in the revenue establishments of this Presidency, on the occasion of separating the Police from the Revenue administration. The result, it was stated (paragraph 10), was a saving of about thirteen lacs of Rupees a year, subject however (paragraph 11) to a diminution, to the amount of about a lac and a half, for the creation of Sub-Magistrates.

3. The establishment of Officers of this grade has not yet been determined for all the Districts ; when that has been done, the result will be reported to the Government of India for final approval. To submit a Tabular Statement now for the five appointments in Bellary, would be useless. But his Excellency in Council may be satisfied both that the new Revenue and Magisterial establishments will cost many lacs a year less than the old, the surplus being available for the new Police ; and also that in making the arrangements the strictest regard has been and will continue to be, paid to economy.
