*Proceedings of the Madras Government, Revenue Department,
11th January 1861.*

No. 162. Read the following letter from Captain H. R. MORGAN, Officiating Conservator of Forests, to J. D. SIM, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 24th December 1860, No. 303.

SIR,

1. With reference to Proceedings of Government, No. 2,469 of 21st December 1860, I have the honor to inform you that I inspected the Cinchona plants and cuttings before leaving Ootacamund in November last. All the plants were dead, of the cuttings about six seemed likely to survive.

2. Mr. McIvor was using his utmost endeavours to save the cuttings, and from his known skill in the propagation of plants, there is a likelihood of his efforts being successful.

3. Agreeably to the orders of Government, a monthly report will be furnished showing the condition of the cuttings.

No. 163. ORDER THEREON, 11th January 1861, No. 83.

The Government have received this report with much regret and resolve to communicate it to the Home Government.

(Signed) J. D. SIM,
Acting Secretary to Government.
