Proceedings of the Madras Government, Revenue Department,
16th April 1861.

No. 245. Read the following Proceedings of the Board of Revenue, dated 5th April 1861, No. 1,750 :—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Tinnevelly, 1st April 1861, No. 154.

SIR,

I have the honor to report for the information of the Board and Government, that from adverse weather, we were able to have only fourteen days fishing in all March, and thirteen sales of Pearl Oysters. The Oysters fished on the fourteenth day, Saturday the 30th, will be sold to-day. The sum realized to Government up to 30th March inclusive, amounts to no less than 1,15,000 Rs. This far exceeds the expectations I had formed of the Fishery, and I trust the results will be satisfactory to the Board and Government. I am truly thankful to be able to report, that there has been no sickness at the Fishery.

Submitted for the information of Government.
