Proceedings of the Madras Government, Revenue Department, 17th April 1861.

No. 280. Read the following Proceedings of the Board of Revenue, dated 28th March 1861, No. 1,632 :—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Tutacorin, 16th March 1861, No. 133.

Sir,

1. In the sanctioned list of establishment for the Pearl Fishery an item of Rupees 210 is allowed for the light Vessels, v.z., Rupees 120 for hire of two boats at 2 Rupees each per day, and Rupees 90 for six Lascars, at 8 Annas each per diem, but the parties who supply these boats say, that they cannot undertake to do so at the above rates, on account of the great rise in wages now prevailing here, and request that 2 Rupees a day may be paid to them both for boats and men, in excess of the amount at first proposed and sanctioned by Government. The Master Attendant and the Head Assistant Collector both recommend that the extra expenditure be sanctioned, for reasons assigned by the boat owners.

2. Under the foregoing circumstances I have the honor to request that the Board will obtain the early sanction of Government, for the extra expenditure abovementioned, which amounts to Rupees 60, for thirty days, at the rate of 2 Rupees a day. From the adverse state of the weather, the fishery I expect, will be prolonged till about forty days.

---

1. Ordered that the foregoing letter be submitted for the Orders of Government with reference to their Proceedings, dated 18th January 1861, Revenue Department, No. 132.

2. Under the circumstances represented by the Collector the Board of Revenue recommend that sanction be granted for the extra expenditure of Rupees 60, in addition to the amount (Rupees 210) already sanctioned by Government for two light Vessels to be employed during the Pearl fishery.

No. 281. ORDER THEREON, 17th April 1861, No. 860.

1. On the recommendation of the Board of Revenue, the Government sanction the additional charge of Rupees (60) sixty for the two light Vessels employed at the Pearl fishery.

2. As soon as the fishery is over, a complete statement of the receipts and charges should be submitted for the information of Government. The cost of the Vessels built should not be charged in that statement, but only interest and depreciation at fair rates.
