*Proceedings of the Madras Government, Revenue Department,
12th January 1861.*

No. 175. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India, to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 30th November 1860, No. 81:—

SIR,

1. I have had under my consideration in Council the letters from your Government dated the 19th of May and the 16th of July last, numbered 49 and 78 respectively.

2. In reply I have to signify my approval of your having deputed Mr. T. Clarke, a Member of the Board of Revenue, to inspect the arrangements and practice in connection with the Salt Revenue in each of the coast Districts, as well as to enquire into the Land and Sea Customs' Departments in the interior. I think also that you judged rightly in declining to adopt the suggestion of the Board of Revenue for the immediate appointment of an Inspector General of Salt Revenue, until Mr. Clarke's mission shall have been accomplished.

3. You will of course transmit a copy of Mr. Clarke's report on each District as soon as it is received.

No. 176. ORDER THEREON, 12th January 1861, No. 89.

1. Ordered to be communicated to the Board of Revenue.

2. The Government observe that by an order dated 3rd August last, No. 1,291, Mr. T. Clarke was desired to resume his place in the Board of Revenue and the inspection of the Salt Department ordered to be postponed. His report on such of the Salt Establishments (to the north of Madras) which he has visited and now before Government, will be forwarded in due course to the Right Honorable the Secretary of State.
