*Proceedings of the Madras Government, Revenue Department,
25th April 1861.*

No. 422. Read the following Proceedings of the Board of Revenue, dated 9th April 1861, No. 1,842 :—

Read again letter from the Acting Collector of North Arcot, dated 3rd December 1860, No. 295, submitting a statement of Sádírwárid charges incurred for Faslis 1266 to 1269.

(In Cons. 7th December 1860, No. 6,393.)

Read also again from the same Officer, letter dated 29th September 1860, No. 230, forwarding Estimate of Sádírwárid charges proposed to be incurred in Fasli 1270.

(In Cons. 5th October 1860, No. 5,010.)

Read also Official Memorandum from the same Officer, dated 2nd March 1861, No. 36, explaining a discrepancy pointed out by the Board.

(In Cons. 9th March 1861, My. No. 606.)

1. Resolved that the above communications be submitted for the consideration and orders

No. 423. ORDER THEREON, 25th April 1861, No. 933.

In order to enable Government to grant the sanction solicited, the cost of paper supplied for the village accounts must be shown separately, both in the actual and estimated charges. The amount saved under extra Establishment and Jamabandi Sádírwárid should also be stated.

Secretary to Government.

IN CON. 7TH DECEMBER 1860, No. 6,393.

From J. D. ROBINSON, Esq., Acting Collector of NORTH ARCOT,
dated Chittoor, 3rd December 1860, No. 295.

1. I have the honor to acknowledge receipt of the Board's official memorandum of the 31st October last, requesting me to state with reference to my letter of the 29th September last, No. 230, whether the amount sanctioned for the Saderward expenses of this District was exceeded in Faslis 1268 and 1269; and if so, to what extent, and when the excesses were sanctioned by Government.

2. I was just about to submit through the Board for the sanction of Government, a statement showing the amount expended on account of Saderward charges in this District during Faslis 1266 to 1269, in view to the authority of Government being obtained for the expenditure incurred in excess of the sanctioned amount, when the Board's memorandum under acknowledgment, reached my hand.

3. The amount allowed for the Saderward charges of a single year in this District is Rupees 6,208-6-0, of which Rupees 4,989-6-0 appertain to the Revenue expenditure under this head. When this limit was fixed, the system of writing village accounts on country paper had not been introduced. The reform was first introduced in Fasli 1265, when the excess of expenditure over the prescribed amount was Rupees 38-15-1, for which sanction was applied for and obtained. As the system was gradually developed, the expenditure increased in like ratio; and in Fasli 1268, the year in which the new forms came into general use, the excess amounted to Rupees 1,359-10-2.

4. The accompanying statement shows the Saderward expenditure in each Fasli from 1266 to 1269 inclusive. From this the Board will learn that the aggregate excess expenditure during these four years amounts to Rupees 3,104-9-11, which the Civil Auditor objects to admit without the special sanction of Government. With this explanation, I have the honor to request that the Board will be pleased to obtain the necessary sanction to enable the Civil Auditor to pass the expenditure, which now stands as an unadjusted advance in my accounts.

Enc. 1.

ABSTRACT.—Statement showing the Saderward charges for Faslis 1266 and 1269.

Edw. J. Wright.

IN CON. 5TH OCTOBER 1860, No. 5,010.

From J. D. ROBINSON, Esq., Acting Collector of NORTH ARCOT,
dated Chittur, 29th September 1860, No. 230.

It has been hitherto the practice in this office to advance for country paper required for printing pattas and village accounts and to adjust such advances at the end of the Fasli. The Accountant General, however, having in his Circulars Nos. 2,213 and 2,244 of the 12th March last, prohibited officers in charge of Provincial Treasuries from making any advances which cannot be adjusted within six months at farthest. I applied to that officer for instructions as to how I was to act in regard to paper required during the current Fasli, for the purposes above specified. In his reply of the 21st June last, the Accountant General directs that the adjustment of this advance should not be deferred till the end of the Fasli, and suggests that any inconvenient delay may be avoided by my submitting to the Board, as is the general rule in such cases, an annual estimate of the amount required and obtaining through them the sanction of Government for the same. The amount expended monthly in the purchase of paper may then be added in my monthly contingent bill and submitted to the Civil Auditor, who will see that the total expenditure does not exceed the amount of the estimate sanctioned.

2. I have the honor, in conformity with these instructions, to forward herewith an estimate of the saderward charges which will probably be incurred during the current Fasli. From this the Board will find that a sum of Rupees 1,378-6-3 will be wanted in excess of that already sanctioned for the purchase of country paper. I beg therefore to request that the sanction of Government may be obtained to incur this expenditure during the current Fasli.

3. The amount sanctioned for the saderward expenses of the district is Rupees 6,208-6-0, but the changes consequent on the introduction of the new forms of village accounts, and the substitution of paper for cadjan, necessitates a larger supply of country paper than was originally estimated for.

4. In their Proceedings of the 27th February 1857, No. 623, the Board have under instructions from Government called on Collectors to submit revised estimates of saderward charges. The call was responded to by my predecessor in his letter of the 29th April 1858, No. 79, but no orders appear to have been received on this subject.
