To

The Secretary to the Government of India, Financial Department.

Sir,

1. I am directed, with reference to the accompanying copy of a letter* from the Officiating Sub-Treasurer at Madras, to request the orders of the Supreme Government on the questions raised by Mr. Balmain relating to the bearing of the Income Tax Act on (1) *equipment allowance* and (2) *passage money*, granted by any of the "Funds" alluded to in paragraph 1 of his letter.

3. I am to add in regard to the other items referred to, viz., *loans*, and *re-payments of donation*, that orders have been passed to treat them both in the manner proposed by Mr. Balmain, viz., the former to be exempt as not being income, and the latter liable, because the donation when paid to the fund was exempt.

1. The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as $t \rightarrow \infty$. It is shown that the solutions of the system (1) tend to zero as $t \rightarrow \infty$ if and only if the matrix A is Hurwitz. This result is obtained by the method of the variation of constants.
