*Proceedings of the Madras Government, Revenue Department,
26th April 1861.*

No. 442. Read the following Proceedings of the Board of Revenue, dated 20th April 1861,
No. 2,049:—

Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to J. D. SIM, Esq.,
Secretary to the Board of Revenue, Fort Saint George, dated Trichendoor, 15th April
1861, No. 169.

SIR,

1. I have the honor to continue my reports on the progress of the Pearl Fishery, for the
information of the Board and Government.

2. The boats were unable to put to sea, the whole of last week up to Saturday the 13th.
The weather we have had has been like a heavy burst of the north-east monsoon, torrents
of rain, and the rivers Tambrapoorney and Chittar in full flood.

3. The nineteenth day's sale of Oysters was held on Monday the 8th, and the amount
realized to Government up to that date was no less than Rupees 1,97,800.

4. I expect we shall have seven or eight days more fishing, and I have great satisfaction in
reporting that there has been no sickness at the Fishery. The heavy rain while it interrupted
the fishing, has tended to avert the risk of cholera.

Submitted for the information of Government.
