No. 484. Read the following :—

*Comparative Statement of the Collections of
Revenue in the several Districts of the Madras
Presidency for March 1861, in Fasli 1270,
submitted by the Board of Revenue.* (Here enter 20th April 1861, No. 2,060.)

No. 485. ORDER THEREON, 30th April 1861, No. 965.

This Statement will be sent home as usual, for the information of the Secretary of State. In the Districts noted in the margin, a falling off, large in some cases, is attributed to want of punctuality in the payment of Kists. This is a reason which the Government cannot admit, and which reflects discredit on the Revenue Officers of the District. By Act XXXIX of 1858 the Collectors have now full means of enforcing the punctual payment of the Revenue; and they have repeatedly been informed that it is the desire of the Government that the Act should be fully made use of. The attention of the Collectors of the Districts named should be called to the subject, and the Government trust that future Returns will exhibit improvement.
