*Proceedings of the Madras Government, Revenue Department,
4th May 1861.*

No. 32. Read the following letter from H. D. RAE, Esq., to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 20th April 1861, No. 9:—

SIR,

1. I had the honor to receive last month a letter from the Collector of Coimbatore, giving cover to brief Proceedings of the Board of Revenue, transmitting a draft lease (the "revised deed") of my Tea land "for my approval and return."

2. The severe stipulations contained in this lease are so opposed to the tenor and spirit of the Government Order granting the land to me that I have deferred a reply to the Collector, having an intention of making a direct appeal to Government on the subject. My proceedings in respect of Tea cultivation have now been going on for six months, but so pregnant of future evil and annoyance are the wholly unexpected restrictions and provisions contained in this lease that neither myself nor any cultivator could agree to be bound by them, and any sacrifice would sooner be made than incur their responsibility.

3. One of the most stringent stipulations introduced involves a right of domiciliary visitation in its worst form, and I have lately had an illustration of what this would become in the Collector, Mr. E. B. Thomas, visiting my plantation in my absence and privately examining my laborers as to what I did, what I planted, what pay they received and so forth.

4. In the face of this, and other equally objectionable proceedings on the part of this Collector, I purpose, though at great inconvenience to myself, coming down at once to Madras in order to explain personally to the Government all the bearings of the question in dispute; and I have now the honor to prefer a special request that no action may be taken by the Government or the Board of Revenue until I have had the opportunity of submitting this direct explanation.

No. 33. ORDER THEREON 4th May 1861, No. 993.

The Government will await a further communication from Mr. Rae.

(Signed) J. D. SIM,
Secretary to Government.

a matter of fact & it is true, and
the letter is published and inserted in
all copies of the "Herald" & the "Herald" but
as Dr. H. P. Roe's recommendation is
advised it to remain - the collection in
series is of little importance, & means
very little; but I do not wonder at
Dr. H. P. Roe's being present at it.
On the 10th of Dec. I was in

P. S. I have since seen a note
from Mr. Roe to Mr. Linn, in
which he says that the late order of
April 12 about his land is
correcting that he has given up
the idea of coming to Boston, &
will write.
He sends samples of his
