Sir

In accordance with the instructions of Government in their letter No. dated on my late application for leave I have again the honor to request that you will forward my application for leave for (6) six months on urgent private affairs, under Section XIV of the Covenanted Civil Service absentee rules

I was ordered to send in my application for leave at the end of January 65, but I have received to-

to send it in there early, in order that Government may have time to make arrangement for the performance of my duties. I should like, in case of leave being granted, to leave the District about the 15th Proximo, so as to allow of my reaching Madras in time for the 2d Steamer for Calcutta.

The reasons in my application were mentioned in my former letter, viz:- a desire to visit my Brothers in the North west Provinces, whom I have not seen for about 13 years

I have the honor to be
